Machine Gauge	1/10
Pile Thickness	4mm +/- 1mm
Total Thickness	8mm +/- 1mm
Primary Backing	100% non-woven synthetic spunbond
Secondary Backing	Eco friendly acoustic felt backing (>85% recycled PET bottles *)
Tile Size	500mm x 500mm
No. of Tiles Per Box	20 tiles (5.00m ²)

Performance

Traffic Classification	Commercial extra heavy duty
Dimensional Stability	BS EN 986, <0.2% KV
Electrostatic Propensity	AATCC 134, ≤1.0 KV
Light Fastness	ISO 105 B02, min 6
Thermal Resistance	0.2m ² K/W

Acoustic Performance

Sound Absorption ISO 345-2003	Sound absorption coefficient α _w 0.35 NRC 0.35 (125-4000 Hz)
----------------------------------	--

Flammability

Test Method Number	AS/ISO 9239.1-2003
Critical Radiant Flux	Mean result 2.7kW/m ²
Smoke Dev Rate	Mean result 160%.min

Environmental

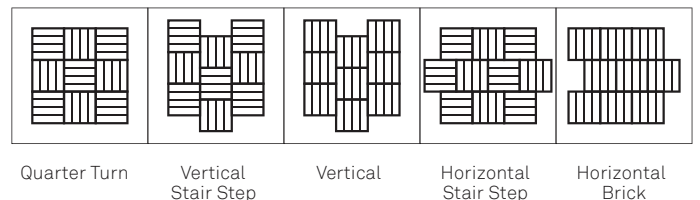

Pile Fibre	Certified low VOC
Secondary Backing	>85% recycled PET content *

Guarantee

Wear Warranty	15 years *
Castor Chair Proof	20 years *
Anti-Static	Lifetime *
Colourfast	10 years *

*conditions apply

Installation Method

For further product information visit acoufelt.com

Specifications are based on average from normal manufacturing tolerances, such variations do not effect product performance. We reserve the right to improve the specification of the product without prior notice. As with all quality carpets, slight variation in colour may occur from dye lot to dye lot. Protective chair pads are recommended under office chairs with roller castors to preserve appearance retention and to avoid excessive wear. Side to side linear pattern and colour match cannot be guaranteed.
